- 2 Users are responsible for any and all consequences resulting from the use of LICTiA facilities.
- 3 Director of the Center may implement measures for preventing the behaviors listed in each item of Paragraph 1.

(Restriction and/or Suspension of Use)

Article 16 Director of the Center may, in the event that a User has violated this regulation, or otherwise caused a serious impediment to the management and operation of the LICTiA facilities, restrict that User's use of LICTiA facilities, or suspend their use for a certain period of time.

- 2 Upon determining that if, if left unchecked, the behavior of a User, or the results of their behavior would infringe on the prohibited behaviors contained in this regulation if left unchecked, Director of the Center may restrict or suspend that User's use of LICTiA facilities until the situation is improved.
- 3 If a User's use of LICTiA facilities has been restricted or suspended as provided for in the previous two paragraphs, Director of the Center shall notify said User of that fact in a timely manner.
- 4 Users protest this restriction or suspension to Director of the Center.

(Responsibilities of Users)

Article 17 In the event that a User has caused damage to LICTiA facilities, they must restore the facilities to their original state, or otherwise make restitutions or compensations as directed by Director of the Center. However, this need not apply in the event that Director of the Center recognizes mitigating circumstances.

(Restriction/Suspension of Use of Facilities for Management/Operation Purposes)

Article 18 Director of the Center may, in the event that damage occurs to LICTiA facilities, or the need is recognized for the purposes of management and operation, restrict or suspend use of LICTiA facilities.

- 2 In the event that use of LICTiA facilities is restricted or suspended as provided in the previous paragraph, Director of the Center shall notify Users to that effect in a timely manner.

(Protection of Confidential Information)

Article 19 Director of the Center and individuals involved in the management and operation of LICTiA facilities shall strive to protect the confidential information of Users.

- 2 Director of the Center and individuals involved in the management and operation of LICTiA facilities shall, under no circumstances, use the information acquired in the course of business for purposes other than the management and preservation of the items provided for in this regulation, or disclose that information to any third party.
- 3 Director of the Center may, after consultation with the University President,

delegate the execution of the Privileged Instructions required for the management and operation of LICTiA facilities to the individuals directly involved in the management and operation of said facilities.

(Supplemental Provisions)

Article 20 Other than those provided for by this regulation, the use of the LICTiA and other necessary matters shall be determined separately.
